## **Fresh Song (Metaphor)**

Case the chronicle, race around the critical  
Pick your poison, crash upon a radical  
Float Sinatra long, asteroid Madonna Kong  
Color masking grafting out Pelagian

Cashing it in  
Cut to the core  
One pretty color  
Raggedy tin  
Cry battle lore  
Hail a good metaphor

Trick a trickster with a can of terms  
Traversing treatable  
Trick a trickster with a can of terms  
Black holly beautiful
